

On Thursday, March 16th, the 45th meeting of the Microsoft .NET User Group Odessa took place!

We would like to express our gratitude to all those who constantly support us!

Many thanks to all the participants of the meeting and our group.

Many thanks to all our friends, companies, partners and sponsors who are doing everything they can to ensure that the .NET movement expands and does not die in our sunny, sea city! Thanks to HYS Enterprise, Provectus, DataArt, Ciklum for supporting the 45th meeting!

Many thanks to Tobias Haag for a cool, practical report! It was very cool!

Many thanks to Step Computer Academy Odessa!

We bring to your attention a photo report about this wonderful event :)
